Heather Seiden

JFS Career Services are offered by Heather Seiden, an accomplished, dynamic, and resourceful career development professional with valuable expertise working in non-profit and corporate environments to help her clients find work they love.

Heather is the employment program coordinator at Jewish Family Service of Colorado where she offers exceptional, personalized career coaching services and leads informative employment training classes for all levels of job seekers.

Heather equips clients who are seeking new employment opportunities or experiencing career transitions to re-enter the workforce and redefine their skills so they can navigate the ever-changing employment landscape armed with knowledge, skills and confidence. She cultivates trusted relationships with clients, colleagues and hiring managers using an engaging and collaborative approach, coupled with genuine passion for helping job seekers and employers achieve their goals.
