

Tribute Plaques

Have you noticed the brass plaques on the wall as you walk up the stairs in the JFS office building? You can permanently honor, commemorate, or memorialize friends and loved ones, or recognize special occasions with your personalized engraved plaque on this wall.

For a \$1,800 “*Chai*” level tribute gift, an eight-inch by two-inch plaque will be engraved with the words you provide (type and space restrictions apply). To make a lasting impact, please contact Melanie Foster, development manager, at 720.248.4630 or mfoster@jewishfamilyservice.org.
