DEAR FRIENDS,

Jewish Family Service of Colorado (JFS) is pleased to present virtual Faces of JFS 2020: Responding to Community Crisis on Wednesday, November 18, 2020 via YouTube Live.

Safely gather your friends and family and join us from the comfort of your home as we share the impact we’ve had on the many Coloradans served by JFS during the pandemic and celebrate all of you who made it possible. All funds raised from the event will help JFS continue to provide vital services to individuals and families in need to help our community recover from the unprecedented COVID-19 crisis.

This packet includes information about JFS and sponsorship opportunities for the event. As a sponsor, you will help JFS provide food and emergency financial assistance to individuals and families in crisis, help older adults stay connected and supported, provide kids and adults with mental health services, and offer job training and employment services to those who are unemployed because of the coronavirus.

JFS serves all people regardless of faith, race, age, income, or ability.

A member of our staff or committee will contact you soon to follow up and answer any questions you might have. Thank you very much for your consideration and we look forward to you joining us on November 18!

With warmest regards,

Linda P. Foster
President and CEO
